These substance reduction plan summaries have been prepared to meet the regulatory requirements under Section 27(1) of Ontario Regulation 455/09.

As of June 1, 2016, I certify that I have read the report on the toxic substance reduction plans for the substances listed above. I am familiar with their contents and to my knowledge the information contained within the report is factually accurate and complies with the Toxics Reduction Act 2009 and Ontario Regulation 455/09 (general) made under the Act.
